## MAY HALT GRAYSON CASE TILL MARCH 4

Friends Worried Last Vote on Confirmation Be Blocked Till Next Congress.

Efforts of the Administration to force the confirmation of Dr. Cary T. Grayson as medical director and rear admiral of the navy thus far have failed. The Senate so far has refused to hurry Dr. Grayson along to confirmation, and some of the friends of the White House physician are getting worried lest a vote be blocked until March 4.

In the end, it is recognized, Dr. Grayson's nomination will be confirmed. But it may not be in this Congress.

Following the action of Senator Poinsett yesterday in stirring up the case in open session and expressing his views on the matter while the doors were open, the Senate was in executive session most of the afternoon. The Republicans prevented a vote.

Senator Weeks spoke at length and drew copiously from history to show how long it took various naval heroes who were not "jumped" over others to rise. Other Senators spoke, including Senator Poinsett. A practical filibuster developed.

Republican Senators said the Democratic nomination was not a waste of time on Dr. Grayson's case. Some of the Democrats are lukewarm about the promotion and would gladly see it sidetracked.

## GUARDSMEN UP FOR OFFICERS' TESTS

Joseph D. Hood and Archibald King ry for Chevrons.

SAN ANTONIO, Tex., Feb. 7.—A board of officers consisting of Major Alexander Summers, Major Charles R. Luce and First Lieut. John B. Coulter, has been appointed to examine Regimental Serg. Maj. Joseph D. Hood, and First Serg. Archibald King, for promotion to the rank of second lieutenant in the Third District of Columbia Infantry.

The non-commissioned officers have already successfully passed one examination, but a test prescribed by the War Department is also required before commissions can be granted.

An interesting regimental problem was worked out today in which the Third District of Columbia Infantry was added to the list of transients in the Third District of Columbia Infantry.

Although the Third Illinois Infantry has gone home it is not forgotten. The Washington regiment has been called upon by division headquarters to furnish a guard over the property left at the camp site.

## HEADS FOR BARRED ZONE.

## ANNAPOLIS CADETS RESIGN

Secretary Daniels Accepts Resignations of Sixty.

Regardless of the fact that their services as naval officers would be badly needed if war ensues, Secretary of the Navy Daniels yesterday accepted the resignations of sixty midshipmen who recently failed in examinations. Resignations of seventy-one midshipmen were presented to the department, according to advices from Annapolis. Secretary Daniels would not discuss the discrepancy between the reported resignation of seventy-one and the acceptance of resignations of sixty, but it is assumed the cases of eleven midshipmen are held up for consideration.

Pressure was brought to bear on the Navy Department to relax its requirements in view of the situation, but Secretary Daniels refused to lower Annapolis standards, despite the possible extreme need for officers.

## THREE GOVERNORS ACCEPT

Letters of acceptance to the conference of governors for the consideration of plans for the establishment in Washington of a permanent States exposition, have been received from three executives. Harrington, of Maryland; Thomas W. Bickett, of North Carolina, and Richard L. Manning, of South Carolina, have notified Chairman William McK. Clayton that they expect to attend the meeting. Gov. Martin G. Brumbaugh says that pressure of business will prevent his attendance. William P. Kennedy, who is touring the Southern States in the interest of the exposition and the pre-inaugural governmental educational exhibit, on Monday presented the plans to Gov. Charles Henderson, of Alabama.

## IS A CONTRACTOR AND A CARPENTER

L. T. Raley, of 618 K Street N. E., Says Plant Juice Was the Only Remedy That Helped Him.

As a strengthener and a builder-up of the system, there is nothing to equal Plant Juice, the new herbal stomach remedy. This wonderful remedy, which has taken the country by storm, is made from the juices and

essences of medicinal plants, gathered from many parts of the world and combined with great skill into the best remedy known for all ailments of the stomach, liver and kidneys. It purifies the blood, aids digestion, strengthens weak nerves and revitalizes the whole body.

Daily signed testimonials are received relative to the benefit derived from this great preparation. One of the latest is that of Mr. L. T. Raley, of No. 618 K street N. E., a well-known carpenter and contractor of this city. He stated:

"I have suffered with my kidneys and rheumatism for the past twenty years and never got any medicine to give me permanent relief until I started to take your Plant Juice. I had terrible pains all through my arms and limbs, and was so bad that if I would bend over it would be a few minutes before I could straighten up again. I could not sleep at night because of the pain I suffered, and got very weak and completely run down. Nothing gave me relief until I took your Plant Juice, and now I am glad to say that it has put me on my feet again. I sleep well and am feeling the best I have in years."

Two bottles did the work for me, and can truthfully say that it was the best two dollars that I ever spent in my life. I am glad to give this endorsement for Plant Juice for it was the only medicine that relieved me."

The Plant Juice man is at the People's Drug Store, corner of 7th and E streets N. W., where he is daily meeting the local public and introducing and explaining the merits of this remedy.—Adv.

"Sir, I am a real cigarette," I said. "I am sure you'll like me. I have good blood in my veins. I am of fine Virginia and Carolina stock and was raised in a clean, wholesome home. I am a gentleman of quality—the Quality of the South."

So the planter's son tried me and he liked me, because
